

## **2019 3-man Throwdown Results**

Thanks to the 90 crazy ass players that played the 3-man Battle Royale @ New Melle yesterday. Not very ideal conditions but we made it thru and ended with a bright sunny day. [Juan Taco Or 2](#) cooked us up a 🔥🔥🔥 lunch to help cure the wetness from the 1st round. Had CTPs for 14/19 holes for the 2nd rd and a 50/50 to boot. Thanks to [David](#) & [Nicole Williams](#) for their help yesterday, always nice to see new faces helping out on the TD side of things. **Congrats** to the winners
